

Welcome To Cathays Surgery

Our practice is located in the heart of the city. It was brought from Woodville Road to Cathays Terrace by Dr H A Devlin and its present location is on one of the main routes into town used by commuters and a great number of students. Originally housed in one terraced house with basic facilities; now comprises of two houses which in 1993 won the 'Surgery of the Year' award for its facilities including access for the disabled. The practice continues to grow, develop and maintain its skills through the hard work of its current partners and team. We have a highly trained and motivated Primary Healthcare Team, that continually updates the services offered. We hope, as our patient, you will benefit from the varied expertise the team provides. You may register with any of our four doctors and will be able to see the doctor of your choice if you book appointment in advance.

Midwife

Every Friday a midwife attends to all our 'Mums to Be' throughout their pregnancy, at the practice. This service is an addition to that provided by the hospitals in the locality. If you have a positive pregnancy test, make an appointment with the midwife. It is not necessary to see the doctor.

Pharmacist

We have a Local Health Board employed pharmacist who provides support and advice relating to prescriptions.

Counsellor

A counsellor holds a session at Cathay's every Tuesday.. The doctors at the practice refer patients to her.

How to register

We accept registrations from patients living within our practice area. To register with us, please call at the surgery, registration is Monday to Friday 8am – 6.00pm. You MUST provide 2 forms of ID; one photo ID such as a Passport, Driving Licence or Student ID card and the second should be proof of your address e.g. rental agreement, utility bill, phone bill or residency card. You will be asked to complete a registration form, and a health questionnaire providing us with basic information for your medical record.

How To See Your Doctor

You may have an appointment with any doctor of your choice. If the problem is more pressing, you can obtain an appointment generally within 3 working days with the next available doctor. A separate appointment for each family member is required when seeing the doctor. Student doctors visit the practice for short periods to learn about general practice. They may sit in with the doctor and occasionally examine patients. Locum doctors are employed during busy periods at the practice to provide extra surgeries. **If you have several problems or a complex problem, please alert the receptionist and she will book a longer appointment.** Patients may be accompanied to their appointment by a carer and/or advocate and/or assistant. All patients are entitled to have a **CHAPERONE** present when an intimate examination or procedure will take place. In appropriate circumstances the **CHAPERONE** may be a family member or friend or you may prefer a member of staff to be present. **If you would like a chaperone please ask.** Patients may contact the practice and book appointments by telephone.

This will avoid delays with routine pre-booked appointments. **If you are unable to attend, let us know so we can book another patient in your place.**

If you require an urgent appointment, please telephone before 10.00 a.m. Emergency appointments can only be booked on the day. We would be grateful if you would be brief and discuss only the urgent problem. This will avoid delays with routine pre-booked appointments. Patients aged **75 years and over** may request a consultation if they have not had a consultation within the last 12 months. Patients aged **16 years and over**, up to the age of 75, may request a consultation if they have not had a consultation, or attended a clinic at the surgery, within the last 3 years.

Private Services

Some services fall outside the NHS and for these a charge may be made. A full list of these services is displayed on our notice board at reception together with a BMA recommended price list. Failure to attend an appointment will incur a fee.

Confidentiality

It is the duty of the practice to keep patient information confidential in accordance with the Data Protection Act and 'Caldicott' principles. Your Doctor and the team of health professionals caring for you keep records about your health and any treatment or care you receive from the NHS. This information will either be written down (manual records), or held on computer (electronic records). These records are then used to guide and manage the care you receive. You may also be receiving care from organisations outside the NHS (like social services). If so we may need to share some information about you so that everyone involved in your care can work together for your benefit. Whenever this is necessary, your information will be handled in the strictest of confidence and will be subject to the principles of confidentiality.

Violence and Aggression

We aim to treat our patients courteously at all times and expect our patients to treat our staff in a similarly respectful way. We take seriously any threatening, abusive or violent behaviour against any of our staff or patients. If a patient is violent or abusive, they will be warned to stop their behaviour. If they persist, we may exercise our right to take action to have them removed, immediately if necessary, from our list of patients. ***THE PRACTICE HAS A ZERO TOLERANCE POLICY.***

Comments and Concerns

To help provide and maintain the care we offer our patients at Cathays, we ask you to address any comments, concerns or criticisms of the service you have received to: Miss Debbie Lovering, Practice Manager. We also have a comments box located in the reception waiting areas.

If You Move

Please inform us of a change of address immediately. You may risk having your name removed from our list if you cannot be traced via correspondence.

Publication Scheme

The Freedom of Information Act 2000 obliges the practice to produce a Publication Scheme. This includes information that the practice makes routinely available to our patients.

The Practice Area

We accept patients mainly from Cathays, Heath and Roath. Reception staff will help to establish whether or not you reside within our boundary.

Disabled Access

A front door bell at wheelchair height is available to call for assistance with the main entrance doors. Once in the building, wheelchair users will gain access to all services with comparative ease. Patients with mobility and breathing difficulties can arrange to be seen downstairs.

HEARING LOOP SYSTEM AVAILABLE.
